Thank you for the purchase of our Canvas Wallcovering. The Peace Collection is made of new canvas processed to be distressed and to deliver a high performance comparable as vinyl. Contact us at (301) 424-7717 for any questions with regards to cleaning and maintenance.

CARE AND MAINTENANCE INSTRUCTIONS

The Canvas Wallcovering Collection is made of 100% cotton finished and backed with a unique surface protector to prevent bleeding and moisture penetration.

HOW TO CLEAN

- 1 Clean with a mild detergent shampoo, if needed, and a damp, well-wrung terry cloth. Never saturate with liquids or use solvents.
- 2 All stains should be treated blotted out immediately with clean water and soft absorbent cloth (white), or sponge.
- 3 A mild detergent solution with warm water can be used for tougher stains, being careful not to flood the surface.
- 4 Abrasive rubbing of spots should be avoided, as discoloration and delamination may occur.
- 5 Great care should be taken in cleaning any dark colors because of the possibility of causing "light marks".
- 6 Occasional vacuuming is acceptable and will help maintain look. Vacuum dirt accumulation once the dirt has dried off the surface of the wallcovering.
- 7 Consult with a professional cleaning service for more difficult stains or when overall cleaning is needed.
